RELATED WORK EXPERIENCE

Recreation/Forestry Aide, U.S. Forest Service *Plumas National Forest/CA*

Enforced park visitor rules and regulations within area of responsibility. Worked with the Wildlife Biologist and successfully completed a Northern Goshawk survey. Partnered with the Hydrology Dept., and completed soil and riverbed surveys. Partnered with the Archeology Dept., and successfully recovered artifacts using a grid system and sifting screens. Also, worked with the Resource Dept. where I identified various tree species and then used timber cruise tools to gather and record biomass information.

Maintenance Host, CA State Parks and Recreation *Half Moon Bay, CA*

Identified invasive plant species around recreation area and eradicated IAW CA State Park regulations. Stayed productive working independently.

Farmer Veteran Coalition (internship) *SF Bay Area*

Aquaponic, conventional, and organic farm operations.

Assistant Navigator, U.S. NAVY- DoD *U.S. Pacific Fleet*

Created voyage plans and navigated Ticonderoga class U.S. warships to and from the Persian Gulf.
