Position Summary:

Westland Irrigation District is currently recruiting qualified applicants to fill the position of General Manager. Serving as the district's chief executive officer, the General Manager is appointed and reports to the five-member board of directors who are elected by the voters of the district. The General Manager oversees the management of personnel, budgets, water rights, and facilities. The General Manager is responsible for leading, managing, and completing long-term complex projects (infrastructure, water source, conservation, technical) which enhance district operations.

Located in north-central Oregon, Westland Irrigation District was established in 1917 and is responsible for delivering irrigation water to approximately 14,700 acres of farmland. The district serves approximately 260 patrons. The district works collaboratively with local, state and federal agencies, conservation groups and the Confederated Tribes of the Umatilla Indian Reservation. More information about the district can be found at www.westlandirrigation.com.
